

About the Company

In a crowded category, RXBAR succeeds through the core tenets of providing nutritious, real and simple ingredients. We make people feel good, because we tell it like it is and what you see is what you get.

About RX Nut Butter

RX Nut Butter is a convenient and delicious spread made from real ingredients like egg whites, nuts and dates that provides nutrition and comes in a variety of great tasting flavors. Available in both single serve packs and full-sized jars, it's the squeezable, spreadable snack that tastes good and is good for you.

Product Details

- RX Nut Butter comes in eight flavor varieties:
 - Vanilla Almond Butter, Honey Cinnamon Peanut Butter, Coconut Almond Butter, Maple Almond Butter, Chocolate Peanut Butter, Almond Butter, Peanut Butter, and Pumpkin Spice Peanut Butter (seasonal)
- Made with the same core ingredients as our RXBAR protein bars, RX Nut Butters include a base of nuts (peanuts or almonds), dates and egg whites
- Each serving provides 9 grams of protein in ~180 calories, offering more protein than most existing nut butters on the market
- Available in 10 ounce multi-serve jars and convenient single-serve packs for an on-the-go breakfast or afternoon snack
- Enjoy straight from the pack or jar, as the perfect addition to your favorite fruit or oatmeal, in smoothies and many more recipes
